

Call for Presentations

New Mexico Wildland Urban Fire Summit

October 8-10, 2024
Taos, NM

Proposals due July 26, 2024

Theme

Our 2024 theme is: **Strengthening partnership through diverse perspectives – taking action in the WUI.** We will focus on how new partners are developed, revitalizing, or strengthening existing partners and how the perspectives and resources they can provide help us to take action in our communities. We invite you to submit a proposal that focuses on this theme and shares your experiences and lessons learned that will help others who share similar challenges whether it is in rural or urban wildland interface of New Mexico.

Audience

The NM Wildland Urban Summit is attended by community members, fire service volunteers and professionals, non-profit conservation groups engaged in fire adaptation, and federal, state, and local government representatives.

Types of Presentations

- ❖ **Mini Talk** (up to 15 minutes)
Mini talks that share stories, challenges, and show how practitioners are rising to the challenge. Provide prerecorded videos or be part of a small topical group panel.
- ❖ **Peer Learning Session** (30 minutes)
Peer learning sessions that meet the needs of practitioners and consider these best practices <https://fireadaptednetwork.org/resource/fac-net-facilitators-guide-hosting-learning-exchange/>.
