2025 Legislative Conference

January 20, 2025 - January 23, 2025

Santa Fe, New Mexico

WELCOME

On behalf of New Mexico Counties, it is our pleasure to welcome you to the 2025 Legislative Conference! This annual gathering is a cornerstone of our efforts to support and empower county leaders from across the state.

To our newly elected officials, congratulations on your recent elections! Your leadership will shape the future of your communities, and this conference is designed to provide you with tools and connections to succeed. We encourage you to take full advantage of the professional development sessions and the wealth of networking opportunities available. The relationships you build here will be instrumental as you navigate the challenges and opportunities of public service.

We are thrilled to kick off the conference with an inspiring opening session featuring Dr. Dave Schramm. Known for his engaging and practical approach, Dr. Schramm will share "Happy Hacks" to enhance both your personal and professional life. His insights are sure to set a positive and productive tone for the days ahead.

On Thursday morning, join us for the Legislative Breakfast, with Senate Majority Leader Peter Wirth, Senate Minority Leader Bill Sharer, Speaker of the House Javier Martinez, and House Minority Leader Gail Armstrong. It's a unique opportunity to hear directly from our state's top policymakers as they address issues that matter most to our counties and communities.

The closing session will highlight the achievements of our counties and members, including recognition for those reaching safety benchmarks and awards. Additionally, we will celebrate the hard work and dedication of NM EDGE graduates as they cross the stage to receive their certificates.

Throughout the conference, we encourage you to engage actively in the discussions and workshops, exchange ideas with your peers, visit with our valuable Business Partners, and explore strategies to enhance your leadership. Together, we can drive meaningful progress for all New Mexicans.

Thank you for your dedication to serving our counties. We hope this conference provides inspiration, knowledge, and connections that will benefit you and your constituents in the year ahead.

HB 2 Appropriations

Firefighter/EMS Recruitment & Retention

Authorize continued funding for the Fire & EMS Recruitment Fund administered by DFA for fire departments to staff, recruit, and retain career and volunteer firefighters and EMS personnel. Call volumes have increased by 50% and response systems are over-burdened. The average volunteer age is 65 years.

Detention Recruitment & Retention

Authorize continued funding for the newly formed Corrections Workforce Capacity Building Fund administered by DFA. Adequate detention staff are essential to a safe, well-operated facility, which is directly correlated to community safety.

700 MHz Radios

Authorize continued funding for the monthly operational costs of 700 MHz radios to build out state interconnectivity infrastructure.

Courthouse Funding

Authorize continued funding to AOC for the construction and renovation of state district courthouses. Counties maintain that courthouses are a state responsibility and that the rising costs of construction, security, and IT necessitate a shared revenue stream.

Detention Reimbursement Fund

Fully fund the County Detention Facility Reimbursement Act Fund to reimburse counties for the actual cost of housing state inmates. Increase the Fund by \$3.2 million. Current fund at \$5 million.

Additional Appropriations

Ensure that SB 148: Repealing Taxation & Revenue Administrative Fees and SB 151: Insurance Premium Tax Distribution to the EMS Fund are implemented as passed during the 2024 Legislative Session.

Equitable Disclosure

Treat residential and non-residential property transfers equitably to allow for accurate valuation of non-residential real property. Information would be used for statistical and analytical purposes only.

IPRA Improvements

Amend the Inspection of Public Records Act (IPRA) to exempt from disclosing specific information and prohibit certain requests used to compromise and obstruct critical local government services.

Resources to Support Border-Related Humanitarian and Crime Efforts

Appropriate \$5 million to counties for services provided to state and federal agencies to support border humanitarian and crime efforts. This funding will be used to combat drug and human trafficking networks; to coordinate with community services that provide food, transportation, shelter, and family location; and to coordinate with state and federal agencies on information sharing and coordination of state law enforcement activities.

NMC Meetings & Events Policy

Individuals may not engage in political activities or distribute campaign literature at NMC sponsored meetings or events. Literature will be removed and those who continue to violate this policy may be asked to leave the event.

Registration Desk

The registration desk is located in the lobby at the SFCCC. Please visit the registration desk if you need any information, special assistance, or questions.

Name Badges

NMC requests that all conference participants wear their name badge to all meetings and events. During daytime events, individuals without name badges will be asked to return to the conference registration desk to verify their registration and receive a duplicate name badge. During evening events, participants without their name badges will be asked to return to their hotels to retrieve them in order to attend the event.

Drink Tickets

Drink tickets will be distributed to attendees when they check in for registration. Drink tickets are only valid at the specific event and date identified on the ticket.

Guest Tickets

Guests of attendees may purchase (credit card only) a guest ticket for \$25/event at the registration desk or at the door for each conference event. A limited number of event tickets may be offered based on space availability.

Public Health Orders

Out of respect for fellow county members and all participants of the conference, all attendees are expected to comply with New Mexico Public Health Orders in place during the time of the event. Protocols are subject to change based on CDC Guidelines and NM Public Health Orders.

Conversations & Electronic Devices

As a courtesy to all attendees, we ask that you silence electronic devices and refrain from conversations during all meetings and general sessions.

Consumption of Alcohol

NMC requests that all attendees and guests adhere to the "Alcohol Consumption Policy" of the NMC Conference Meetings Policies. These policies are available by contacting the NMC office or by downloading them from the NMC website. Alcohol shall be consumed in a responsible manner. NMC encourages individuals to use designated drivers or call for a cab when drinking. NMC provides transportation to and from all events that serve alcohol. The vendor of alcoholic beverages at our events reserves the right and has the responsibility to refuse service when appropriate.
